Unveiling a **New Icon**

11 September 2025 | Exclusive reveal

An aerial photograph of a modern, white-hulled boat with a brown deck, sailing on dark, choppy water. The boat is oriented horizontally, with its bow to the right. A large section of the deck is covered with dark blue solar panels. Overlaid on the image is white text that reads "Up to 4,3 kW Solar power".

NAME

GREENLINE

A high-angle, 3D-rendered view of a modern motor yacht on the water. The yacht is white with a large, dark-colored cockpit area. A solar panel is visible on the upper deck. The text "2 cockpit options" is overlaid in large white letters. The name "NAME" is visible on the transom, and "GREENLINE" is visible on the side of the hull. The water is dark blue with some ripples.
